### ANNUAL MEMBERSHIP DUES

FWC yearly dues are **\$30.00**. Dues cover expenses that benefit our members, such as printing of the directory, mailings, three club-wide social functions, and activities welcoming new members to our community.

### SPECIAL PROJECTS FUND

In April 2019, the Board voted to create a Special Projects Fund, controlled by the FWC Board, to benefit the club and to provide support for interest section public service outreach activities.

Dues and payments to the Special Projects Fund should be made payable to the **Faculty Women's Club** (or to FWC). They may be made on a single check or as separate payments.

Note: Dues and other contributions to the Faculty Women's Club are not tax deductible.
